

Resources for Fatality Review Teams and MCH Professionals on COVID-19

Maternal & Child Health

[CityMatCH: COVID-19 Resources](#)

To help maintain those social connections, CityMatCH is hosting two check-in calls for members. These calls will provide a time for sharing, asking questions of your colleagues, and hearing from peers around the country.

- **March 31 – 2:30-3:30pm CT** [Register](#)
- **April 8 – 2:00-3:00pm CT** [Register](#)

[Association of Maternal & Child Health Programs \(AMCHP\)](#) has compiled information for maternal and child health professionals regarding;

1. Resources and guidance specific to the MCH population
2. Self-care suggestions for caregivers & families who feel isolated due to social distancing
3. Potential impact to grant deliverables
4. Title V reporting implications
5. Telehealth (For more on Telehealth see the information below)

[The National Perinatal Association](#) is a great source of essential information and resources related to Perinatal Health and COVID-19, including some of the following:

PODCAST: MotherToBaby, [COVID-19 in Pregnancy & Breastfeeding from Mother to Baby](#)

[Centers for Disease Control and Prevention \(CDC\) Pregnancy and COVID-19 FAQ](#) including:

- Coronavirus Disease Basics
- How it Spreads
- How to Protect Yourself
- Symptoms and Testing
- Information for Healthcare Professionals and Health Departments

[Talking with children about Coronavirus Disease 2019: Messages for parents, school staff, and others working with children](#) (CDC)

WEBINAR: [Coronavirus Disease 2019 \(COVID-19\) Update](#) - Information for Clinicians Caring for Children and Pregnant Women

[March of Dimes: CORONAVIRUS DISEASE \(COVID-19\): WHAT YOU NEED TO KNOW ABOUT ITS IMPACT ON MOMS AND BABIES](#)

[American College of Obstetricians and Gynecologists \(ACOG\)](#)

The American College of Obstetricians and Gynecologists and the Society for Maternal-Fetal Medicine have developed an [algorithm](#) to aid practitioners in assessing and managing pregnant women with suspected or confirmed COVID-19. [View the algorithm.](#)

[American Academy of Pediatrics](#)

- Clinical Guidance
- Information for Families
- Physician wellness tips

The report “[Initial Guidance: Management of Infants Born to Mothers with COVID-19](#)” along with a [Q&A](#) covers precautions for birth attendants, rooming-in, breastfeeding, testing, neonatal intensive care, visitation and hospital discharge.

[Protecting Women’s, Pregnant Persons’ and Infants’ Health during the COVID-19 Pandemic](#)

University of Illinois Hospital & Health Sciences System (UI Health)

[Safe Kids Worldwide](#)

- Injury Prevention
- Precautions to keep kids safe around cars as parents deal with COVID-19
- Safety tips to remember when young kids are home

[National Institute for Children's Health Quality \(NICHQ\)](#)
[Supporting Children’s Health During and After the COVID-19 Pandemic](#)
